

ABOUT THE 2017 City of Geneva's
PARK PASSPORT PROGRAM

The Passport Launch Party

**Bicentennial Park, Downtown
Thurs. July 6th, 10 am–12 pm**

This will be everyone's first chance to have your passport stamped! Games and activities will be on hand, as well as a fun scavenger hunt at the Geneva Area Farmers Market and throughout Downtown.

The Passport Program is an idea generated through the GNRC's Neighborhood Association. These community groups will sponsor a unique program in their local parks in July. Families attending the programs will get their passport stamped with a chance to win a prize.

A final "Neighborhood Olympics" will take place at Lakefront Park where we will celebrate all the travelers participating in the Passport Program throughout the summer!

July 30th 2 pm-5 pm
