III. POLICY

It is the policy of the Geneva Police Department that sworn Officers shall carry and use only those body cameras issued by the Department. The Geneva Police Department has adopted the use of the AXON video recording system to accomplish the following policy goals:

- 1. To enhance Officer Safety.*
- 2. To accurately capture statements and events during the course of an incident.*
- 3. To enhance the Officer's ability to document and review statements and actions for both internal reporting requirements and for courtroom presentation.*
- 4. To provide an impartial measurement for self-critique and field evaluation for new Officer training.*
- 5. To capture visual and audio information for use in current and future investigations.*
- 6. To enhance the public trust by preserving factual representation of Officer-citizen interactions in the form of audio and video recording.*
